MSGSA Determination of Consistency Form

This form is intended to document compliance with the Groundwater Mining and Export Ordinance of Merced County codified in Merced County Code Chapter 9.27. This form must be completed for every proposed well that is not a domestic de minimis well that is located within the jurisdiction of the Merced Subbasin Groundwater Sustainability Agency (MSGSA) pursuant to Section 3 of the MSGSA's Rules and Regulations.

Required Applicant Information

_____
Owner/Legal Name of Owner Corporation

_____
Assessor Parcel Number (APN) of Proposed Well Site

_____
Allocation Management Account Number(s)

☐ I, the applicant, provided a completed Merced County Well Construction, Destruction, Mining, and Export Application/Permit and the accompanying attachments required by Sections 3.1.1 and 3.1.2 of the MSGSA's Rules and Regulations with this form to the MSGSA and affirm that the information submitted is accurate, true and representative of site conditions.

☐ I, the applicant, hereby acknowledge that extractions from the proposed well to be constructed shall be consistent with Section 2: Groundwater Allocation Rule of the MSGSA's Rules and Regulations and affirm that I will adhere to the registration requirements set forth in Section 3.2.7 of the MSGSA's Rules and Regulations.
